WE PROUDLY DEDICATE

Dean George

In memory of Dean George, for whom all Vinita High School students and teachers had a very high regard, the annual staff dedicates "The Hornet" for 1958.

Dean came to teach and coach basketball in our school system in 1956, having previously filled a similar position in Bixby, Oklahoma. His death came in February of 1958 after a brief illness.

He was friendly, helpful, and kind to those with whom he was associated. We shall miss him, but because of his wonderful influence, he still lives in our hearts.

Future Farmers of America

The Vinita Future Farmers of America can remember the school year of 1957-58 as a year of outstanding accomplishment. The chapter started the year off by placing third in the State Holstein judging contest at Collinsville, and winning reserve champion at the Vinita Fat Barrow Show. In April the Chapter attended the State FFA Convention at Stillwater. Nick Nail, the Vinita Chapter President for 1955-56, who was elected Northeast District Vice President of the FFA in 1956-57, was elected State FFA Secretary for 1957-58. In October the Chapter placed second at the Joplin Fat Stock Show and Judging Contest. In November the Chapter won the Northeast Area Soil Conservation contest.

The Vinita High School Band

The Vinita High School Band is composed of 69 members. The highlights of this year included the Annual Christmas Concert with the Choruses, the contest for Bands at Tahlequah at which the Band received a rating of GOOD and the Spring Concert in April. This year as something new and very special, the Band has a Banquet at the Crystal Ballroom and a formal dance afterwards at the Country Club, May 2nd. Jewell Humbel, the Band Queen of 1958, was crowned at the dance. In addition to these events the Band has supported the athletic departments and provided music for Senior graduation exercises. The team of 1957 got off to a good start by winning the first three games of the season. Included in the three wins was a 7 to 0 victory over Nowata, whom Vinita hadn't beaten in many years.

The Hornets then ran into bad luck in the form of injuries and a seige of flu. The season ended with the Hornets defeating Wagoner and Dewey.

All in all the final record of 5 wins and 5 losses was one which we are proud.

Patrick goes for a first down.

Ballenger carries for Vinita.

Coach Dean George

From Wagoner to the Regional Tournament at Pryor was a tough road for the Hornets to travel. Although it was on the short end of the score nine out of thirteen times, the Vinita team was unfailing in it's effort to go down fighting and preserving it's true blue and white traditions.

Bob Lawson was high point man for the season, coming in third in the conference race.

The team was also honored by the placing of David Lochhead on the All-Conference team.

The team was saddened by the death of Dean George, the coach for the past two years.

JUNIOR HIGH BASKETBALL TEAM

The Junior Hornets ended their season with a record showing five wins and six losses. This was an interesting team from the spectator's viewpoint. Since they were much shorter than most of their opponents, hustle and teamwork characterized this team. Most of their wins and losses were by small margins that were settled in the final minutes of the game. Among their wins was a thrilling double overtime victory over the previously unbeaten White Oak quintet.

Well here it is the end of another year, we've sure had fun this year haven't we? I wish you all the luck in the world and I wish you + Charles luck + happiness, I think he is really perfect for you and I know you'll both be happy. A friend always,

Helen

Dear Barbara,

I just want you to know you've been a wonderful friend in spite of all our disagreements, which have been few. I think you are a very pretty girl with the most beautiful hair in the whole world. I sure hope we can stay good friends throughout all the happy years to come. And I hope we both can stay good christians all our lifes and serve our God together. I don't have to mention all our good times together, cause I couldn't ever begin to write them down. Huh!!! Above all I want to wish you and Charlie all the good luck in the world, I sure hate to give you up to him but we'll never really be seperated no matter how far apart we are, cause way down deep they'll always be a friendship growing and it will keep on growing forever and ever. I hope!

your very best friend,

Lee Ann
Suttee
